THE TERRIBLE MISTAKE

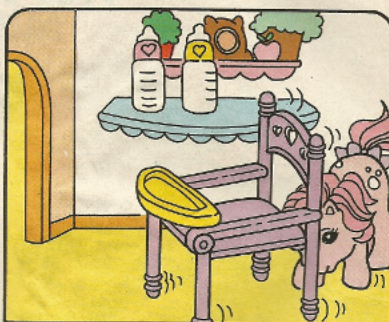

The new born twins had fallen asleep on their play mat.
"Let's go and make them strawberries
and ice-cream for when they wake up,"
whispered Baby Lickety-Split.

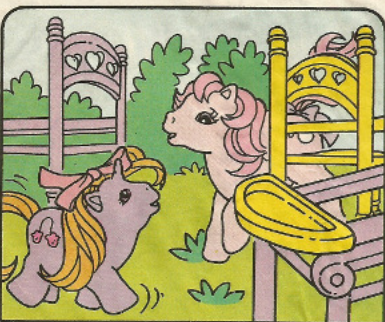

"Where are the funny four?" asked Baby Lifty, using Nurse Gusty's pet name for the twins. "They're all fast asleep," said Baby Lickety-Split. "We've come in to make strawberries and ice-cream for their tea." "Let's have a picnic tea," suggested Baby Lifty.

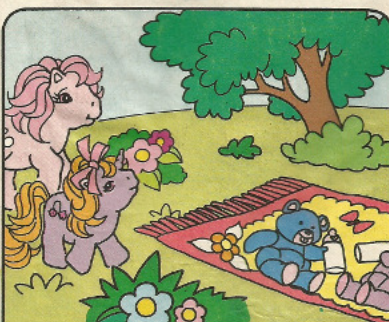

"I'll make some jelly shapes," said Bluey, the balloon bird. "I used to watch the Jelly Jester making them."

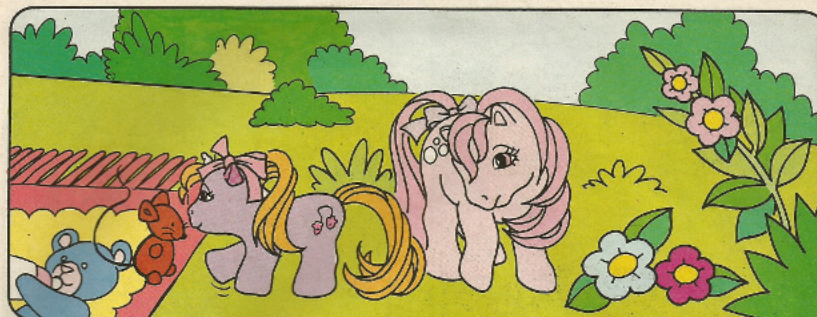

"I'll take the chairs out," said Baby Cotton Candy. "All this food is making me hungry," she added.

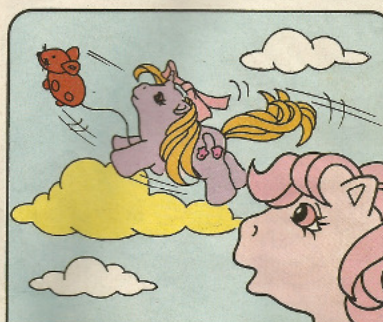

Baby Cotton Candy was arranging the chairs when she saw Sniffles coming towards her. "All gone," laughed the tiny unicorn.

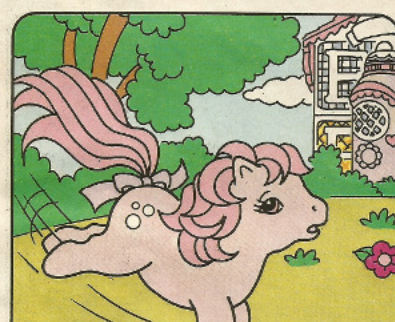

"What's all gone, Sniffles? Show me," said Baby Cotton Candy. Sniffles walked the other way and the baby pony followed him.

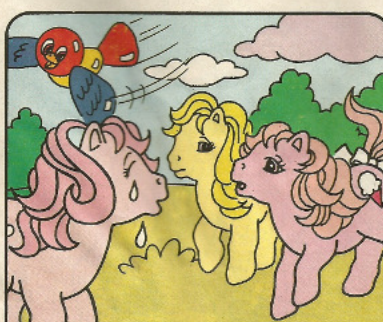

"All gone," said Sniffles again, when they reached the play mat. "Gone where?" asked Baby Cotton Candy looking around. "Where are Snookums, Dibbles and Nibbles?" "Whoosh!" laughed Sniffles, then he touched something on the play mat. "Chocolate," he said.

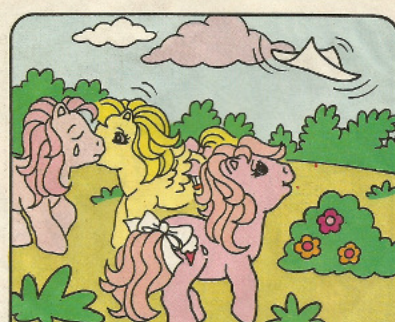

Suddenly, the chocolate mouse rose into the air, taking Sniffles with it. "Whoosh!" called the tiny unicorn.

Baby Cotton Candy galloped as fast as she could to the nursery. "All the twins have disappeared. Somebody fetch Majesty!"

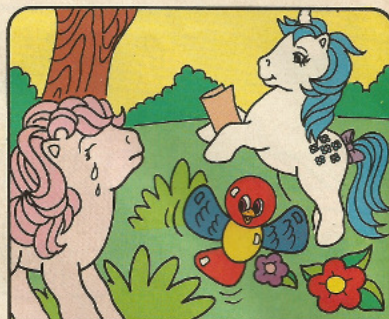

"I'll go," chirped Bluey. "I can fly fast now." "A chocolate mouse took Sniffles away," sobbed Baby Cotton.

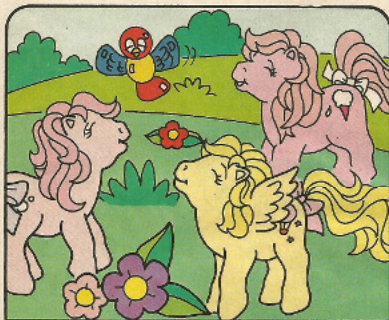

"I think chocolate mice took the other three, too," sniffed the baby pony. "Sniffles said all gone and whoosh!"

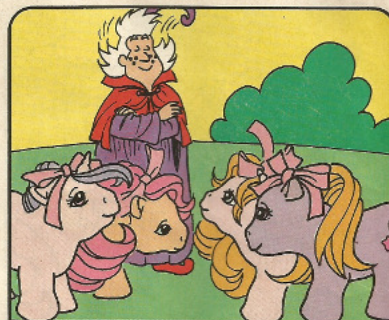

"There's a message here!" shouted Baby Lickety-Split. "It must be from Wizard Wantall," gasped Baby Lofty in dismay.

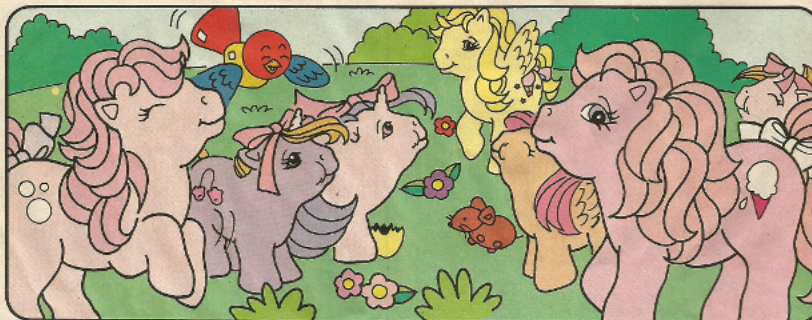

"Here's Majesty," said Baby Cotton Candy. "Majesty, look, Wizard Wantall has taken the twins away."

To the baby ponies' surprise, Majesty laughed as she read the message! "Close your eyes tightly," she ordered.

Majesty's magic took them to Magician Muddle's cavern. Muddle was staring in horror at the four tiny twins.

"You got your spell muddled again, old friend," smiled Majesty. "As soon as I saw your message with a bright green wand on..." "Bright green means bring," sighed Muddle. "I remember now." "Never mind," soothed Majesty, "everyone's enjoying themselves."

Wherever Megan takes Sundance, she makes sure she's dressed to match.

When Megan and Sundance go riding together they make a fine pair.

Megan likes to wear her favourite green dungarees. To go with her dungarees she has chosen a pink and white puff-sleeved blouse, matching pink shoes, and a pink ribbon in her hair.

After thinking so much about her own clothes she couldn't leave Sundance out.

So a matching green cape with a pink and white border seemed just the right thing.

You'll find Megan and Sundance together in a special presentation pack for £13.99 or less.

THERE'S MAGIC IN THE MISTY MOUNTAIN

The Story So Far...

Baby Lucky was staying in Flutter Valley with the Flutter ponies. On his last night there, Forget-Me-Not had told him a story about the Misty Mountain. She had told of noises coming from deep within the mountain and said there was magic there!

While all the Flutter ponies were sleeping, Baby Lucky went to the mountain. A light flashing from a crack in the mountain frightened the baby boy pony.

"It's lightning," he whimpered.

"How do you know my name?" asked a voice. Through the swirling mist, Baby Lucky could see a shape...

The Story Continues...

As Baby Lucky looked closer he could see that the shape was a big pony.

"Are you real?" asked Baby Lucky.

"Of course he's real," said another voice. "You called him by his name, Lightning. And I'm..." The icy wind blew again and another pony appeared. "I'm Tornado," he said.

"I must be dreaming," said Baby Lucky. "I must..."

There was a happy laugh and another pony appeared through the mist. "This is Sunburst, he's always bright and cheerful. He kept us all smiling until we rescued our friend, the wise magician," explained Tornado.

"Even when I felt grumpy, Sunburst cheered me up," a deep voice said.

"He's called Thundercloud," said Tornado. "The wise magician is his best friend, so of course Thundercloud was grumpy until we found him."

"The wise magician shares all his knowledge with Thundercloud so he is very wise, too," smiled Sunburst.

Suddenly a white light shone through the mist. "Here's Ice Crystal," Sunburst told Baby Lucky. "He..."

"He makes slides for us to skate on and freezes water for us to play kickstones on," interrupted Tornado, who couldn't stay quiet for long.

Baby Lucky stared and stared. "I can see five ponies, I *must* be dreaming," he said, "but what a lovely dream."

"Five? Can you only see five of us?" asked Lightning. He stepped towards the crack in the mountain, clicked his front hooves together and shook his head. A bright flash lit up the inside of the mountain and Baby Lucky saw another pony hurrying towards him.

"That's Fireball," explained Ice Crystal. "He's got enough energy for two ponies, he's always dashing about wanting things to happen in a hurry."

"He was very useful when we had to move the rockfall to free the wise magician," stated Tornado. "The magician didn't have time to be worried, Fireball worked so quickly."

"I had to turn the dust from the rocks into icy mist," laughed Ice Crystal. "The magician did worry about one thing — he didn't want his magic hat to get dusty!"

"What's your name, baby boy?" asked Sunburst.

"I'm Baby Lucky... I..."

"Well, we're lucky, too," said Tornado. "It's nice to meet new friends."

"Would you like to come and meet my friends in Flutter Valley?" asked Baby Lucky.

"We'd love to," said all of the big boy ponies together.

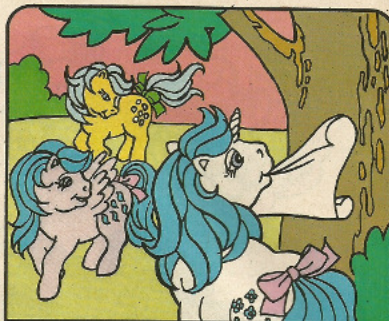

"But we'll always come back to our mountain home," added Thundercloud. "For the wise magician lives here and Ice Crystal has to make an icy mist every day because the magician says it looks nice swirling over and around our mountain."

"So there is magic in the Misty Mountain," laughed Baby Lucky. "Made by the Mountain Boy Ponies!"

THE SUMMER TREASURE HUNT

Part two

"Look, Majesty is pinning a notice to that tree," said Bubbles. "Let's go and see what it says!"

"A summer treasure hunt!" read Bubbles. "What fun!" cried Sprinkles. "How kind of Majesty to think up such lovely games. Let's go and find the first clue. We'll go to Dream Castle and tell the others... that's where the hunt starts!"

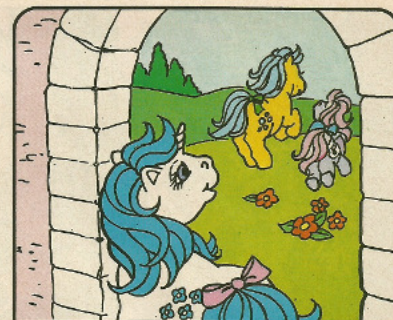

Soon everyone was busy searching for the clue. "It's not in my bucket," said Spike to Baby Tiddy Winks.

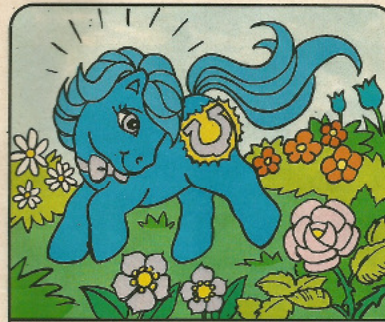

"It's not in the throne room either," said Bubbles. "I've found it... in one of Majesty's shoes!" cried Sprinkles!

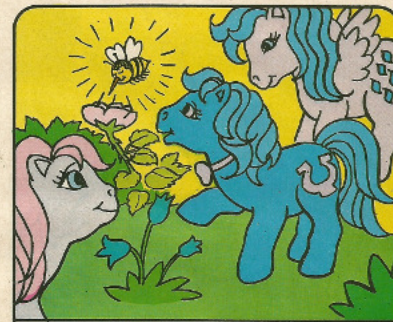

"What does it say?" asked the ponies. "Pony feathers, that means the Flower Bower... but whose nose?"

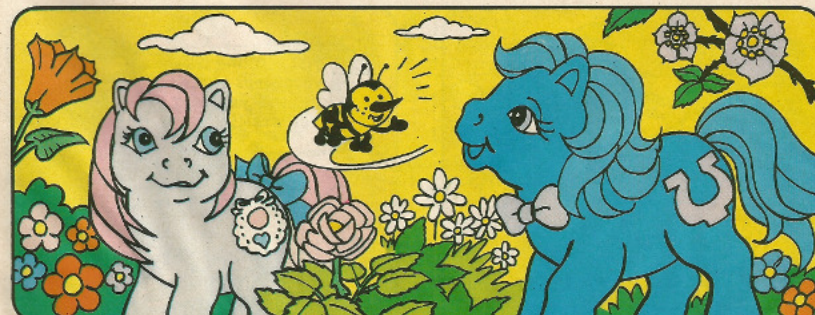

"That's for me to know and you to find out," laughed Majesty, as they all ran off to the Flower Bower.

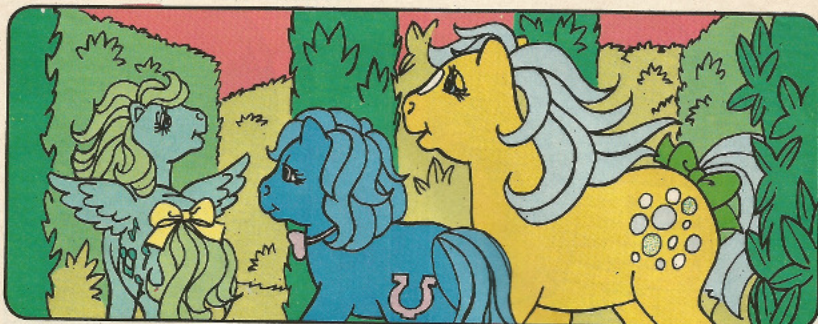

"Heavy hooves, there are lots of flowers," sighed Baby Lucky. "And they all smell sweet... but... hey... look!"

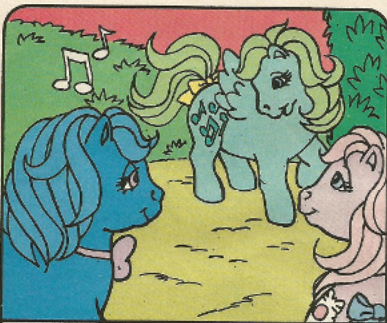

"It's the SMELLING BEE," giggled Baby Lucky. "Look at his long pointed nose. Give a clue, please!"

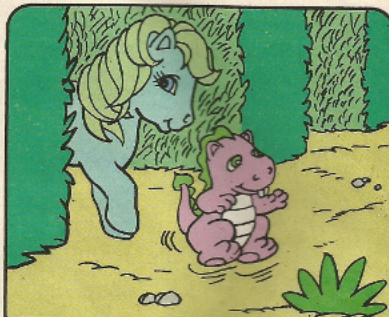

Buzzing loudly, the bee flew down to Baby Lucky. "Please give us a clue," Baby Lucky asked again. Baby Tiddy Winks was trying to count the bee's stripes but she stopped as he said: "Round and round you all may go. You may need a friend to give a clue at the end."

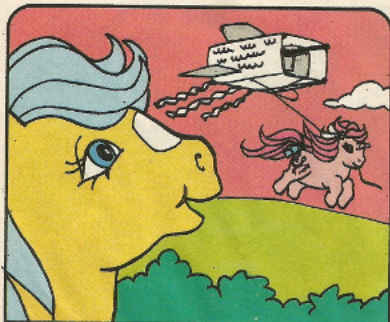

"Round and round... the Amazing Maze! That must be where we'll find the next clue... if only we can find our way to the end," said Bubbles. "Come on, let's go!" But, as usual, the maze proved very very hard... it seemed to lead nowhere!

"Follow the sound of my tail. I can see the end," called Medley. "The Smelling Bee was right!" said Bubbles.

"Wait for me," cried Spike. "Hurray, we're out. But where's the next clue. Can you see it?"

"I can't see anyone only Skyflier," grumbled Bubbles. "Wait a minute... look at her kite!" she added.

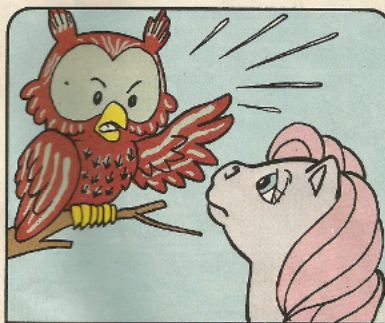

"We're nearly at the end... we'll soon find the treasure. I wonder what it will be?" said Spike impatiently.

"Heavy hooves... does that mean we must go back through the maze and through the Flower Bower?" groaned Bubbles.

"I'm tired... and hot and hungry," wailed Baby Tiddly Winks. "I want to go home!" "Me too!" said Baby Lucky.

"You silly baby pony," scolded the owl. "Can't you see that's what the clue means? Go back home!"

Just as the seekers reached Dream Castle they saw Rob Rabbit waiting for them. He held out a note.

Waiting for them in Dream Castle were Majesty and Gingerbread with bowls of lovely strawberries and ice-cream! A real treat on a hot summer's day. "What a lovely surprise," laughed Baby Tiddly Winks. "Much better than jewels and gold!"

THE MYSTERIOUS CASTLE OF SHELLS

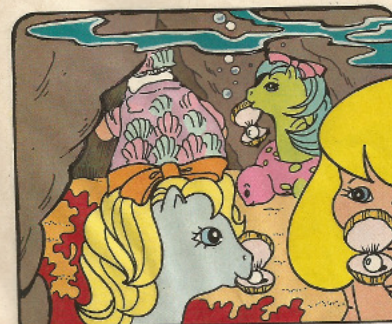

Part two

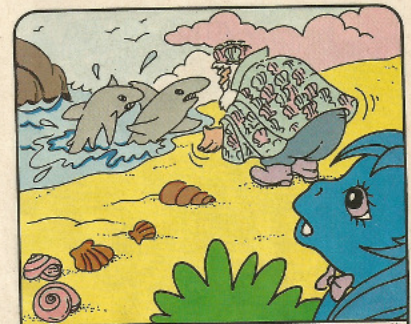

Baby Lucky is trying to rescue Miranda and the baby sea ponies from the Castle of Shells, home of the Shell Sorcerer.

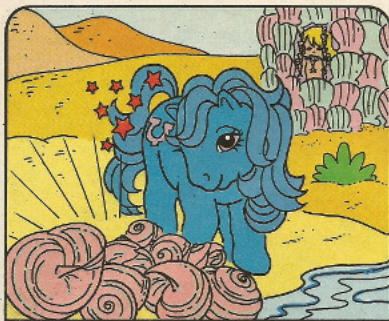

"It is time you joined your friend Miranda in filling my oysters with pearls," cried the Shell Sorcerer. "It is a task that goes on forever... so you can never be freed!" The baby ponies began to cry as they were herded into the room.

The sorcerer fled, locking the door behind him. Miranda and the baby ponies looked at each other. "We must escape," they said.

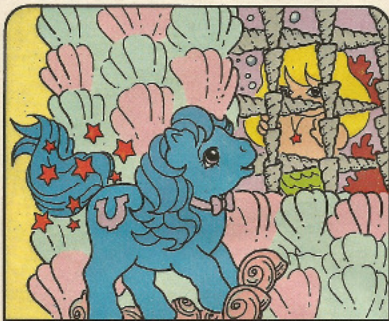

Meanwhile, Baby Lucky watched the Shell Sorcerer leaving for the treasure caves. "I'll be back soon," he told his sharks.

"If only I had a ladder to get to the top," said Baby Lucky. "Happy-go-Lucky, I wish the shells would reach to the sky."

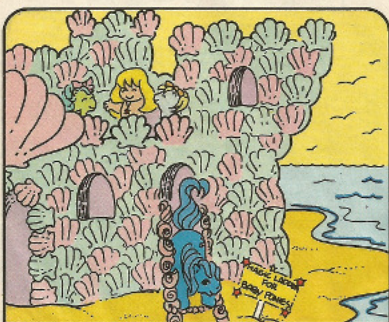

"Happy hooves now I can climb to the top...oh, the windows are barred... with shells like cream horn cakes!"

"I wish the bars were cream cakes," said Miranda. From far away, Majesty granted the mermaid's wish.

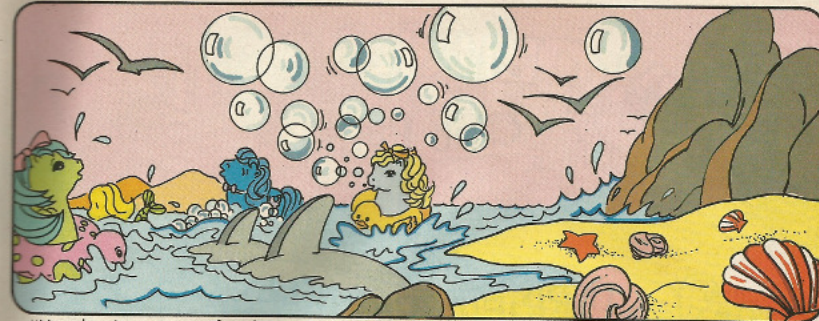

"The bars have turned into cakes," said Sea Shimmer. "They taste delicious... try one, Tiny Bubbles!"

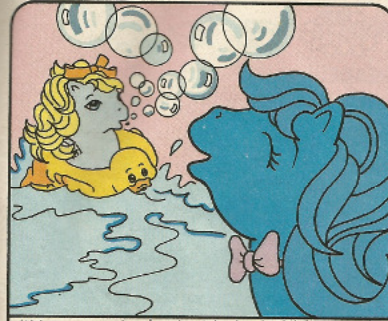

"Never mind the cakes... climb down the ladder. We haven't much time!" cried Baby Lucky. "We can't climb," said Miranda.

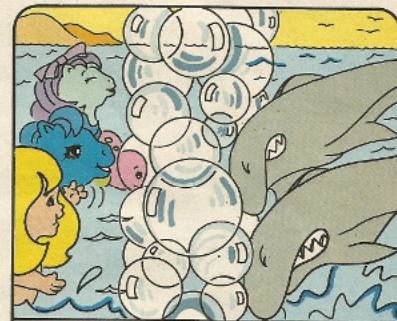

"No, but you can all dive into the sea," said Baby Lucky. "Hurry. I can see the Shell Sorcerer returning to the castle!"

"You shan't escape... after them, my shark soldiers," cried the sorcerer. "They're gaining on us... what can we do?" shrieked the baby sea ponies to Baby Lucky. "Tiny Bubbles make lots of bubbles!" ordered the boy pony quickly.

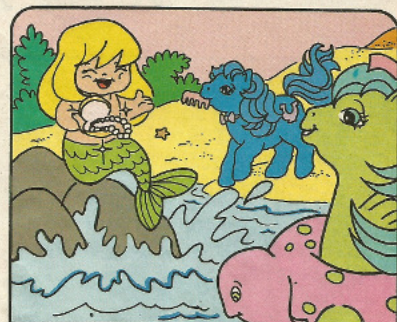

"Happy-go-Lucky, I wish the bubbles would grow big enough to block the way!" said Baby Lucky as they swam along.

The bubbles grew larger and larger until they made a solid wall through which the soldiers could not pass!

At last they reached Pony Land where Majesty and Gypsy waited to welcome them. "Baby Lucky was wonderful!" said Miranda.

"Here's your comb... and something else," Baby Lucky said to Miranda. "I found it by the castle. Wear it at the ball tonight!"
